Amendment to Ministerial Order re New Era Farms et al.

Amendment to Order dated May 10, 2001
made under subsection 125(1) of the
Environment Act

IN THE MATTER OF Chapter 1 of the Statutes of Nova Scotia 1994-95, the
Environment Act

- and -

IN THE MATTER OF a Ministerial Order issued pursuant to the provisions of the said
Act to **New Era Farms Limited**, a body corporate, located at or near 61 Evergreen
Place, Goodwood, Halifax Regional Municipality, Province of Nova Scotia; **Vernon
Kynock**, of Hammond Plains, Halifax Regional Municipality, Province of Nova Scotia;
Cynthia Elizabeth Thibodeau, of Hammond Plains, Halifax Regional Municipality,
Province of Nova Scotia; **Michael Doran**, of Willowdale, Province of Ontario; and **Kurt
Strobele**, of Oakville, Province of Ontario.

AMENDMENT TO MINISTERIAL ORDER

I. **WHEREAS** a Ministerial Order dated March 29, 2000, and duly filed in the office of the Registry of Regulations on March 30, 2001, ([N.S.] Reg. 30/2001) and published in the Royal Gazette on April 20, 2001, was issued by David Morse, Minister of Environment and Labour pursuant to the provisions of the *Environment Act* and regulations to New Era Farms Limited, Vernon Kynock, Cynthia Elizabeth Thibodeau, Michael Doran, and Kurt Strobele [who] own, occupy, operate or are responsible for the operation of a plant, structure, facility, undertaking or thing, to wit: a composting facility which is located at or near 61 Evergreen Place, Goodwood, Halifax Regional Municipality, Province of Nova Scotia, hereafter called the "Site";

II. **AND WHEREAS** a request has been made for an amendment to the Ministerial Order;

IT IS HEREBY ORDERED that the following amendments be made to the Ministerial Order:

1. Paragraph 1 of Schedule "A" of the Ministerial Order is revoked and replaced with the following Paragraph:

The persons named in this Ministerial Order shall retain a professional consultant approved by the Department to prepare a report which reviews the overall operation at the facility to determine the issues and problems in producing consistently mature compost at this Site and to propose mitigative measures. The terms of reference for the study shall be approved by the Department to ensure that the following issues are included: time in primary compost containers and impact on process, curing area operation, grinding, screening; overs handling and management including management and

impacts from overs which have been moved from the Site to other storage locations, Site layout, building size and configuration, the management of the facility and the technology used for composting, etc.

- (i) The terms of reference shall be submitted to the Department by April 15, 2001.
 - (ii) The consultants report shall be completed and submitted to the Department by May 30, 2001, **for all items except the off-site “overs”**.
 - (iii) **The consultants report on the off-site “overs” shall be completed and submitted to the Department by June 8, 2001.**
 - (iv) The persons named in this Ministerial Order shall submit an implementation plan for these mitigative measures, including implementation dates, to the Department for approval by **June 25, 2001**.
 - (v) The persons named in this Ministerial Order shall implement the mitigative measures in accordance with the implementation plan approved by the Department.
2. Paragraph 2 of Schedule “A” of the Ministerial Order is revoked and replaced with the following Paragraph:

The persons named in this Ministerial Order shall retain a professional consultant approved by the Department to prepare a report identifying the potential sources of odour generation on the Site and to propose mitigative measures to reduce odours. The terms of reference for the study shall be approved by the Department.

- (i) The terms of reference shall be submitted to the Department by April 15, 2001.
 - (ii) The consultants report shall be completed and submitted to the Department by May 30, 2001.
 - (iii) The persons named in this Ministerial Order shall submit an implementation plan for these mitigative measures, including implementation dates, to the Department for approval by **June 25, 2001**.
 - (iv) The persons named in this Ministerial Order shall implement the mitigative measures in accordance with the implementation plan approved by the Department.
3. Paragraph 3 of Schedule “A” of the Ministerial Order is revoked and replaced with the following Paragraph:

The persons named in this Ministerial Order shall retain a professional consultant approved by the Department to prepare a report identifying the potential sources of leachate discharge, including discharge to ground water, on the Site and to propose mitigative measures to eliminate such leachate discharge. The terms of reference for the study shall be approved by the Department to insure that the following issues are included: leachate from overs burial, integrity of the buildings on Site with respect to leachate leakage, integrity of underground leachate lines, french drains, biofilter liners, etc.

- (i) The terms of reference shall be submitted to the Department by April 15, 2001.
 - (ii) The consultants report shall be completed and submitted to the Department by May 30, 2001, **for all items except the integrity testing on the building floor slabs.**
 - (iii) **If, after consultation with the Department, integrity testing on the building floor slabs is required, the consultants report on the integrity testing shall be completed and submitted to the Department by July 3, 2001.**
 - (iv) The persons named in this Ministerial Order shall submit an implementation plan for the mitigative measures, **excluding those related to testing on the building floor slabs**, including implementation dates, to the Department for approval by **June 25, 2001.**
 - (v) **If integrity testing on the building floor slabs is required, the persons named in this Ministerial Order shall submit an implementation plan for the mitigative measures related to the integrity testing, including implementation dates, to the Department for approval by July 20, 2001.**
 - (vi) The persons named in this Ministerial Order shall implement the mitigative measures in accordance with the implementation plan approved by the Department.
4. Paragraph 4 of Schedule "A" of the Ministerial Order is revoked and replaced with the following Paragraph:
- The persons named in this Ministerial Order shall retain a professional consultant approved by the Department to prepare a report for the development and implementation of a groundwater monitoring program for the Site.
- (i) The persons named in this Ministerial Order shall implement the **initial** groundwater monitoring program, including groundwater monitoring wells, within thirty (30) days of the date of this order.
 - (ii) **If, after review of the information from the initial groundwater monitoring wells and consultation with the Department, additional monitoring wells are required, the additional wells and revised monitoring program must be completed by June 22, 2001.**
5. Paragraph 5 of Schedule "A" of the Ministerial Order is revoked and replaced with the following Paragraph:
- (a) The persons named in this Ministerial Order shall retain a professional consultant approved by the Department to prepare a report for the development and implementation of a program to reduce the BOD, and Fecal Coliform in the discharge from the sedimentation pond, including that being discharged via groundwater, to the following criteria:

Biological Oxygen Demand (BOD₅) - 5 mg/l
Fecal Coliform - 200/100mls

The terms of reference for the study shall be approved by the Department.

- (i) The terms of reference shall be submitted to the Department by April 15, 2001.
 - (ii) The consultants report shall be completed and submitted to the Department by May 30, 2001.
 - (iii) The persons named in this Ministerial Order shall submit an implementation plan for these mitigative measures, including implementation dates, to the Department for approval by **June 25, 2001**.
 - (iv) The persons named in this Ministerial Order shall implement the mitigative measures in accordance with the implementation plan approved by the Department.
- (b) The persons named in this Ministerial Order shall be required to immediately cease the discharge of any surface water from the sedimentation pond which does not meet the criteria set out in item 5(a) above. The method of disposal or treatment of these waters must be approved by the Department.
6. Paragraph 7 of Schedule "A" of the Ministerial Order is revoked and replaced with the following Paragraph:

The persons named in this Ministerial Order shall be required to supply the storage location of any compost which has been removed from the Site and is in storage at another location. The results of the maturity and pathogen testing, in accordance with conditions of Approval 98-ATCC-007 and the protocols in the CCME document "Guidelines for Compost Quality", dated March 1996 or the latest edition, shall be provided for this material. The minimum sampling frequency is one (1) sample per one thousand (1000) tons or any part thereof for material located at offsite locations. Test results shall be submitted to the Department **by May 22, 2001**. If additional sampling is required they shall be taken by an independent consultant trained in this field.

- (i) All compost which is deemed to be improperly cured through these ~~analysis~~ [analyses] shall immediately be removed from its present storage location and be re-composted to achieve proper maturity and pathogen reduction.
- (ii) The site for re-composting must be approved by the Department.

DATED at Halifax, Halifax Regional Municipality, Province of Nova Scotia, this 10TH day of May, 2001.

Environment Act

IN THE MATTER OF Chapter 1 of the Statutes of Nova Scotia 1994-95, the
Environment Act (the “*Act*”)

- and -

IN THE MATTER OF a Ministerial Order issued pursuant to the provisions of the said
Act to **Robert Wallace** and **Dorothy Wallace**, persons, located at or near 92 Old Row,
Thorburn in the County of Pictou, Province of Nova Scotia

MINISTERIAL ORDER

I. **WHEREAS** Robert Wallace and Dorothy Wallace own, occupy, operate or are responsible for the operation of a plant, structure, facility, undertaking or thing, to wit: residential property which is located at or near 92 Old Row, Thorburn, in the County of Pictou, Province of Nova Scotia, hereafter called the “Site”;

II. **AND WHEREAS** the Minister of Environment and Labour believes on reasonable and probable grounds that the persons named in this Ministerial Order have contravened subsection 67(2) and Section 71 of the *Environment Act*;

Environment Act

- 67 (2)** No person shall release or permit the release into the environment of a substance in an amount, concentration or level or at a rate of release that causes or may cause a significant adverse effect, unless authorized by an approval or the regulations.
- 71** Any person responsible for the release of a substance under this Part shall, at that person’s own cost, and as soon as that person knows or ought to have known of the release of a substance into the environment that has caused, is causing or may cause an adverse effect,
1. take all reasonable measures to
 - (i) prevent, reduce and remedy the adverse effects of the substance, and
 - (ii) remove or otherwise dispose of the substance in such a manner as to minimize adverse effects;
 - (b) take any other measures required by an inspector or an administrator; and
 - (c) rehabilitate the environment to a standard prescribed or adopted by the Department.

III. **AND WHEREAS** the Minister is of the opinion that it is in the public interest to do all things and take all steps necessary to comply with the *Environment Act* or to repair any injury or damage, or to control, eliminate or manage an adverse effect;

IT IS HEREBY ORDERED:

That pursuant to subsection 125(1) of the *Environment Act*, the persons named in this Ministerial Order shall, at their own cost, comply with the terms and conditions, including compliance times, set forth in Schedule “A” attached to and forming part of this Ministerial Order.

AND TAKE NOTICE if the persons to whom this Ministerial Order is directed fail to comply with the Ministerial Order, or any part thereof, the Minister, pursuant to [sub]section 132(2) of the *Environment Act*, may take whatever action the Minister considers necessary to carry out the terms and conditions of the Ministerial Order and may recover any reasonable costs, expenses and charges incurred by the Minister pursuant to Section 132 of the *Environment Act*.

AND FURTHER TAKE NOTICE that the appeal provisions respecting the issuance of a Ministerial Order are more fully outlined in Section 138 of the *Environment Act*, including a 30 day time period from the date of the issuance of the Ministerial Order to file an appeal.

DATED at Halifax, in Halifax Regional Municipality, Province of Nova Scotia, this 10th day of May, 2001.
