

Developing Leaders in Energy

Nova Scotia's energy sector offers many opportunities for well-paid, rewarding careers

It is oil and gas and much, much more. The Pengrowth-Nova Scotia Energy Scholarship Program offers as many as eleven \$10,000 scholarships (\$2,500, renewable over 4 years) to students entering **business, sciences, or engineering** programs at a Nova Scotia university, and as many as ten \$2,500 non-renewable scholarships to students beginning energy-related trades and technology programs at the Nova Scotia Community College every year

The application deadlines for the 2008-2009 academic year are **May 2, 2008**, for the university scholarships and **May 9, 2008** for students applying for the trades scholarships at the NSCC.

For more information on energy-related career choices or to find out how to apply, contact your high school guidance counselor or visit: www.gov.ns.ca/energy or call (902) 424-4575
