Imagine working in a place where every day off feels like a holiday. Where the exceptional career opportunities are matched only by the remarkable lifestyle. If you are searching for that balance, then consider growing your nursing career in Nova Scotia.

That's why in addition to relocation assistance and our new-graduate transition allowance, we offer high quality practice environments, continuing and cooperative education, specialty training, and excellent leadership and career advancement opportunities.

For the past seven years, Nova Scotia has invested in a Nursing Strategy to enhance the quality of work life for nurses.

Now is the perfect time to become part of our health care team and discover why Nova Scotia is your prescription for life.
