

# What's this?

This is your 2009 Property Assessment Notice.  
It's a new look and a different format than assessment notices of past years.

Property assessments are now done by **Property Valuation Services Corporation (PVSC)**, a not-for-profit corporation owned by Nova Scotia's 55 municipalities.

Your assessment notice from PVSC will be mailed the week of January 26.

Watch for your new assessment notice and be sure to keep it. It contains important information with respect to the assessed value of your property, how to contact us and how to appeal your assessment.
