## Specialized Resource Foster Families Needed

A competent and nurturing full time resource family is needed to provide a safe home for a 9 year old girl. This affectionate, and active child has difficulty attaching to care givers, struggles academically and socially. She enjoys reading, coloring and gymnastics.

Specialized resource foster families work as part of a professional team with the Children's Aid Society and community professionals to ensure that the child's needs are met. Compensation for specialized resource families is determined by qualifications, experience and ability to provide 24 hour care.

This specialized resource foster family will be required to:

- have some training and/or experience working with a child who has emotional and developmental delays
- be able to set clear and appropriate boundaries and consistent routine
- be willing to attend training and be open to working with a therapeutic support team
- able to provide safe, nurturing family environment with ongoing supervision
- be willing to be part of a parenting team
