Mechanic Apprentice Transportation and Infrastructure Renewal (Waverley)

Looking for a career that will enable you to work in a team atmosphere while gaining valuable experience as a Mechanic Apprentice? At Miller Lake you will work under the supervision of a fully qualified Mechanic and will spend time and receive training within our various shops. As a Mechanic Apprentice you have successfully completed Grade 12 along with completion of a second year course in Bus and Transport Repair. Work experience related to the trade plus other trades training, including the operation of heavy trucks and equipment would be considered an asset. **See full details online.**

Salary: \$22.24 per hour, prorated

Closing Date: June 1, 2009

Mechanic II (3 Positions) Transportation and Infrastructure Renewal (Waverley)

Would you like the opportunity to be a part of an exciting workplace everyday? If you answered "yes" and you thrive in a safety focused Fleet environment, then the Miller Lake Mechanical Branch is looking for you. We are currently in the process of recruiting for three fully qualified Bus and Transport Mechanics for our facility in Waverley. You have a Grade 12 education plus a Provincial Certificate of Qualification in the Truck and Transport Trade. Provincial Certificates of Qualification in Heavy Duty Equipment or Air Conditioning Certification would be considered assets. **See full details online.**

Salary: \$22.24 per hour

Closing Date: June 1, 2009

Welder Apprentice Transportation and Infrastructure Renewal (Waverley)

Looking for a career that will enable you to work in a team atmosphere while gaining valuable experience as a Welder Apprentice? At Miller Lake you will work under the supervision of a fully qualified Welder and will spend time and receive training within our Welding and Fabricating Shops. As a Welder Apprentice you have successfully completed Grade 12 plus successful completion of a NSCC certificate accreditation welding program. Welder Apprentices applying for this position are also required to have a maximum of 3000 credited apprenticeship hours. Work experience related to the welding trade including working with blueprints would be considered an asset. **See full details online.**

Salary: \$22.24 per hour, prorated

Closing Date: June 1, 2009
