

Premier's Message

As the Premier of Nova Scotia, it is an honour and pleasure to welcome Sidney Crosby home with one of sport's most treasured trophies. The Stanley Cup represents for many the ultimate achievement in professional sports and, on behalf of all Nova Scotians, I would like to congratulate Sidney on his 2009 Stanley Cup victory.

As the youngest captain in the history of the National Hockey League to win the Stanley Cup, Sidney is an inspiration for players everywhere. His success is rooted in his natural talent, but he is proof that through commitment, hard work and determination, anything is possible. For many Nova Scotians young and old, he represents the dream of not only making the NHL, but winning the coveted Stanley Cup trophy.

At 22 years of age, Sidney has already achieved more during his four years in the NHL than most players do in their entire career. He is one of the league's shining stars and is famous not only in Cole Harbour, but throughout the province and around the world. Nova Scotians are all very proud of his accomplishments and wish him continued success.
