

SNOW PARKING

Ensuring safe travel on Nova Scotia's roads is a high priority for the Department of Transportation and Infrastructure Renewal.

During the winter months, this means ensuring snow removal crews can work as quickly and efficiently as possible.

Parked cars can seriously impede snow clearing operations.

Help our crews by observing winter parking regulations, in effect from December 14, 2009 to March 30, 2010.

Parking will be restricted on select roads during that period between 1 a.m. and 7 a.m.

Effective Monday, December 14, 2009

Winter parking regulations will be in effect in the following areas:

QUEENS COUNTY

Village of Brooklyn
