

INVESTING IN OUR COMMUNITY

‘We can build our community by investing where we live’

The Black Business Initiative is pleased to announce a new Business Venture, Black Business Community Investment Fund Limited (BBCIFL or Fund). The Fund will serve as an investment option for the Black Business community in Nova Scotia and it has the support of the provincial authorities. This community-focused Fund is created to facilitate economic growth and enhance prosperity within the Nova Scotia Black community.

The dead-line for investing is **February 8th, 2004**, so we encourage you to act NOW!
We are confident that with your support, we would reach our target.

When the Fund achieves its target and is operational, the shareholders will appoint a board of directors. However, in the interim, the Black Business Initiative (BBI) will act as the Fund’s organizer and manager.

We encourage all prospective investors and interested parties, to contact the BBI for information and or to make an investment. An information brochure is enclosed.

If you have any questions, please feel free to call Gordon Doe, the Fund’s coordinator, at (902)426-6985 or 1-800-668-1010. You can also visit our website at www.bbi.ns.ca.

Once again, thank you for your continued support and commitment in creating a healthy and vibrant Black business community in Nova Scotia.

Sincerely yours,
