

Developing Leaders in Energy

Congratulations to the winners of the 2006 Pengrowth-
Nova Scotia Petroleum Innovation Grant

Virginia Brake

Virginia is a Master's of Science student in the Earth Sciences Department at Dalhousie University working on 3D seismic interpretation. In April 2006, she completed her Bachelor of Science (Honours) degree at Dalhousie University.

Sarah Bowman

Sarah is enrolled in the Master's of Science in Applied Science program at Saint Mary's University. Sarah grew up in Lower Sackville and completed her Bachelor of Science with Honours in Geology and Geography at Saint Mary's University.

Thinking about petroleum-related research? The Pengrowth-Nova Scotia Petroleum Innovation Grant supports researchers investigating areas of importance to Nova Scotia's growing energy sector. As many as four non-renewable \$15,000 awards are available each year for Master's level students who are beginning studies in **earth sciences, business, or engineering** at a Nova Scotia university.

To find out how to apply for the next academic year, please visit: www.gov.ns.ca/energy
