

Developing Leaders in Energy

Congratulations to the winners of the 2007 Pengrowth-Nova Scotia Energy Scholarships

Seventeen Nova Scotia students have been chosen to receive the Pengrowth-Nova Scotia Energy Scholarship. Twelve receive university scholarships worth as much as \$10,000 each, \$2,500 renewable over four years, based on a combination of extracurricular activities and academic performance. Five receive \$2,500 non-renewable scholarships at the Nova Scotia Community College.

Sarah Cox
Cobequid Educational Centre
B.Sc., St. F.X. University

Horton District High School
Electrical Construction and Industrial, NSCC

Tyler Williams
Northumberland Regional High School
Electro Mechanical and Technical, NSCC

Colin Heighton
North Nova Education Centre
B.Sc., Acadia University

The Pengrowth-Nova Scotia Scholarship Program is designed to develop home-grown expertise by encouraging Nova Scotia students to pursue careers in the energy sector. These students can make a difference in the Nova Scotia energy sector by becoming tomorrow's Leaders in Energy. To find out how to apply for the next academic year, please visit: www.gov.ns.ca/energy
