Attention: Review Committee

Nova Scotia is developing a world-class energy sector.

Offshore gas, exciting prospects for onshore gas, a growing renewable energy industry, excellent professional and technical education and training programs ... they all come together here in Nova Scotia to mean great prospects for rewarding, well-paid careers.

The Pengrowth-Nova Scotia Energy Scholarship Program can help you achieve success when you choose to develop the knowledge and skills needed to work or conduct research in this exciting field.

Pengrowth-Nova Scotia Energy Scholars are well-rounded individuals with a variety of interests who have an established track record of community involvement through activities like volunteer work, sports and other community-based activities.

Students are to complete the attached application package and forward to their Guidance Counselor for review and completion.

Student Responsibility

- Part A – Personal Information
- Part B – Supporting Documentation*
- Part C – One Page Essay

Guidance Responsibility

- Part D – High School Recommendation
- Part E – Copy of High School Transcripts

Approved disciplines include: Business, Sciences and Engineering

Preference will be given to students planning to attend a Nova Scotia university. Students who have not yet applied for university admission are urged to do so in time to meet the scholarship application deadline, keeping in mind that universities often take 3-4 weeks to process applications.

All efforts will be made to notify award recipients and their school in advance of graduation. Once recipients have been notified, they will be provided follow-up documentation covering the acceptance and disbursement conditions of the award.

* Supporting letters from "immediate family" will not be accepted.

"Immediate family" is defined as child, stepchild, ward, spouse, common-law spouse, parent, sister, brother, grandparent, grandchild, aunt, uncle, niece or nephew.

The Pengrowth-Nova Scotia Energy Scholarship Program is not open to "immediate family" members of Nova Scotia Department of Energy employees.
