

**Compliance Requirements for a Fish Processor Licence may include the following:**

- (1) Proof of compliance with the Canadian Food Inspection Agency as it relates to Fish Inspection Regulations.
- (2) Proof of ownership of the facility - copy of deed or lease. A Purchase and Sale Agreement may be submitted until such time as a deed or lease is available.
- (3) Proof of compliance with the Registry of Joint Stock Companies.
- (4) Fish Processor Licence fee of **\$243.54** with cheque or money order payable to the **Minister of Finance**.
- (5) Proof of Business Number from Canada Revenue Agency.
- (6) Copy of up-to-date Shareholder's Register which sets out the shareholdings of your company.
- (7) Written confirmation from you that all required municipal, provincial and federal permits, protocols, approvals, licences and permissions will be obtained and will remain in place for the facility. This includes, but is not limited to, the Municipality (regarding building permits and zoning laws), the Department of Natural Resources (regarding intake and outfall pipes), and the Department of Environment (regarding the drawing and disposal of water).
