

# Turning off Pop-Up Blockers in FireFox (Version 2)

for using in  
Nova Scotia Maps

Step 1. Under the *Tools* menu, click *Options*.

Step 2. Click on the *Content* tab

Step 3. Uncheck **Block pop-up windows** if it has a checkmark beside it.

Step 4 (optional). FireFox allows you to name Exceptions for Pop-ups. This means you can still use your Pop-up Blocker but allow certain trusted ones like Nova Scotia Maps. Click the **Exceptions** button and add the website as shown under **Address of web site**:
