

Turning off Pop-Up Blockers Internet Explorer (Version 7)

For using with
Nova Scotia Maps

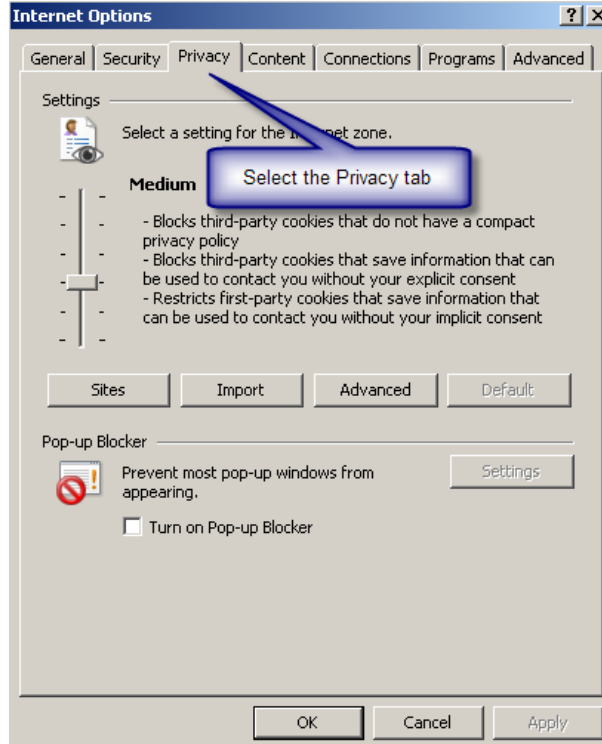

Step 1. Under the *Tools* menu, click *Pop-up Blocker*, and then select *Turn Off Pop-up Blocker*.

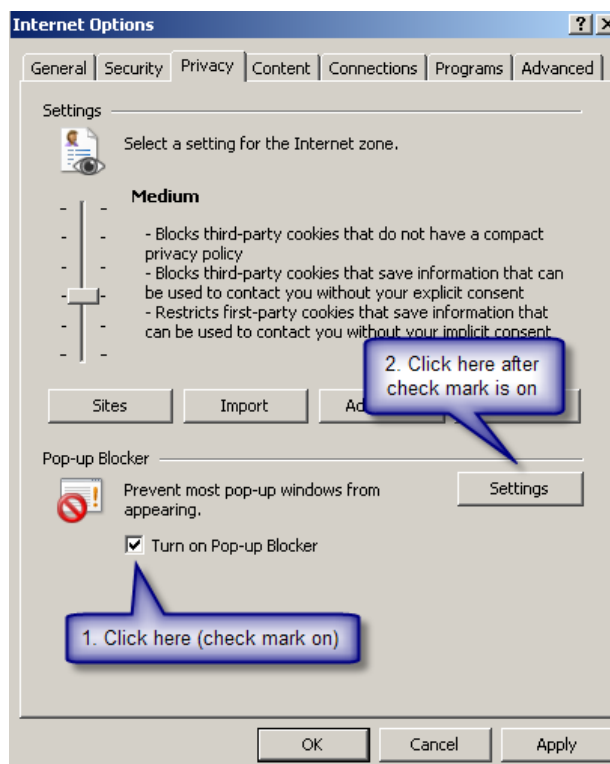

Step 2 (optional). Internet Explorer allows you to name Exceptions for Pop-ups. This means you can still use your Pop-up Blocker but allow certain trusted ones like Nova Scotia Maps. Go to the *Tools* menu and select *Internet Options*.

Step 3 (optional). Select the *Privacy* tab under *Internet Options*.

Step 4 (optional). Click the checkbox where it says *Turn on Pop-up Blocker*, and then click the *Settings* button.

Step 5 (optional). Type the number shown in the picture below in the *Address of Website to Allow*. Click *Add* and *Close* the window. Click *Ok* for Internet Options.
