Message from the Minister of Intergovernmental Affairs

I am pleased to present the 2018-2019 business plan for Intergovernmental Affairs.

Intergovernmental Affairs is the central coordinating agency responsible for managing the Province's relations with other governments, and for promoting understanding of Nova Scotia's opportunities in the broader national and international context. Its primary role is to ensure that the Province's approach with other governments is consistent, and to ensure a corporate perspective in all departmental dealings in regional, national and international settings.

Over the coming year, Intergovernmental Affairs will be proactive in its engagement with the Government of Canada on issues of importance to Nova Scotia. The Department will engage with provinces and territories to advance federal-provincial relations through the Council of the Federation (CoF) and the Council of Atlantic Premiers (CAP), which Nova Scotia will chair in 2018-2019. The Department will also continue to work with the Government of Canada and the other Atlantic provinces to advance economic growth in the region through the Atlantic Growth Strategy.

Nova Scotia enjoys the benefits of our international activities and trade continues to grow. We will advance Nova Scotia's commercial and economic interests by participating in trade missions and in the negotiation and implementation of interprovincial and international trade agreements, in particular, the renegotiation and modernization of the North American Free Trade Agreement (NAFTA). In January 2019, Nova Scotia will chair the Ministers Committee on Internal Trade.

I am also proud to serve as the Minister responsible for Military Relations, which recognizes the social and economic significance of Canada's military in Nova Scotia. In 2018-2019, planning for a Veterans Advocacy Office will be advanced.

Over the coming year, Nova Scotia will continue to advance its national, inter-provincial and international interests to build a more prosperous Nova Scotia.

Honourable Stephen McNeil, MLA
