Residential Care Facilities for Seniors Directory

Important Note to Reader:

The term a SEA Participant indicates that admission to the **R**esidential **C**are **F**acility (RCF) is exclusively through the Department of Health's **S**ingle **E**ntry **A**ccess (SEA) system. Eligible residents of SEA Participating RCFs pay an authorized accommodation charge and have the health care portion of the long term care facility costs covered by the Department of Health.

If a facility is "Not a SEA Participant", it means that applicants must apply directly to the facility and that government subsidy is not available to new residents.

For more information on Residential Care Facilities, please consult the RCF Fact Sheet on the Department of Health's website at www.gov.ns.ca/health/ccs .
