

# The swelling's not so bad. It's the severe testicular pain.

Mumps means 9 days in isolation.  
No parties. No friends. No classes.  
Intense pain in cheeks and throat.  
Difficulty chewing or swallowing.  
Weakness. Fever.  
In some cases, severe testicular  
pain and swelling.  
Mumps can cause sterility,  
meningitis, arthritis and deafness.
