Ronald S. Russell

Minister of Transportation and Public [Public] Works

Schedule "A"

- 1 The regulations respecting traffic signs, N.S. Reg. 47/2001, made by the Minister of Transportation and Public Works on April 30, 2001, are amended by adding the following Section immediately after Section 3:

Notwithstanding Sections 1 and 2, the Stop Here on Red Signal sign identified as R-104 in the regulations respecting traffic signs, N.S. Reg. 47/2001, made by the Minister of Transportation and Public Works on April 30, 2001, may be maintained until the 31st day of March, 2007.

- 2 Section 5 of the regulations is amended by

- (a) adding the following paragraph immediately after the paragraph that begins RB-17: "NO RIGHT TURN ON RED":

RB-17L: "NO LEFT TURN ON RED" signs shall have a red circle and diagonal superimposed over a black arrow. Located below the red circle shall be a black traffic signal head showing a red display. The sign shall have a white background. The sign is to indicate to a motorist facing a traffic signal head showing a red display that they cannot make a left turn when a red light is

displayed. A RB-17L sign may be supplemented by the R-105 “EXCEPT WITH GREEN ARROW” sign, installed as a tab beneath or forming part of the no left turn on red sign.

- (b) adding the following paragraph immediately after the paragraph that begins RB-63: “WEIGHT LIMIT CONTROL”:

RB-63A: “BRIDGE WEIGHT RESTRICTION” signs shall have black letters and numerals on a white background with a black border. The sign is used to prohibit trucks that exceed the gross vehicle weight or axle weights shown from using the particular bridge. The sign indicates the maximum allowable loading for a variety of axle weights.

- (c) adding the following paragraphs immediately after the paragraph that begins RB-70: “DANGEROUS GOODS PROHIBITION”:

RB-80, RB-80A, RB-81, RB-81A: “RESERVED LANE” signs shall have a symbol in black of a bus, taxi, high occupancy vehicle (“HOV”) or bicycle, or some combination of those, on a white background with a black border, together with a white diamond symbol on a black rectangular area in the upper left-hand corner of the sign. The signs shall also have a black arrow to indicate the lane that is reserved. An HOV is a motor vehicle carrying 2 or more persons and includes, without limitation, vehicles involved in car pooling and van pooling arrangements. The number marked within the HOV symbol represents the minimum number of occupants required for the vehicle to qualify as an HOV for that particular lane. A reserved lane may be a designated lane on a freeway or other highway, or on a street, or may comprise the entirety of a road. Reserved lane signs for lanes intended to be reserved only on particular days and between particular hours shall show those days or hours in black letters and numbers. Reserved lane signs indicate that lanes are reserved for use by specific vehicles, such as buses, taxis, HOVs and bicycles. When 1 or 2 vehicle symbols are to be displayed, the RB-80 or RB-81 sign must be used. When 3 or more vehicle symbols are to be displayed, the RB-80A or RB-81A sign must be used. RB-80 and RB-80A signs must be installed directly above the lane that is reserved and RB-81 and RB-81A signs must be installed adjacent to the lane that is reserved. The symbols, dates and times displayed on the signs are determined by the traffic authority under whose authority the signs are erected.

RB-80S1, RB-80S2: “BEGIN AND END SIGNS FOR RESERVED LANES” shall have black letters on a white background with a black border. The RB-80S1 BEGIN sign is used to indicate the start of a reserved lane, and must be installed as a tab beneath or form part of the first reserved lane sign in a series. The RB-80S2 END sign is used to indicate the end of a reserved lane and must be installed at the end of the reserved lane, usually as a tab beneath or forming part of a reserved lane sign.

RB-90, RB-91: “RESERVED BICYCLE LANE” signs shall have a symbol in black of a bicycle on a white background with a black border, together with a white diamond symbol on a black rectangular area in the upper left-hand corner of the sign. A reserved bicycle lane sign shall also have a black arrow to indicate the lane that is reserved. A reserved bicycle lane sign indicates that the lane is reserved for use exclusively by bicycles. RB-90 must be installed directly above the lane that is reserved and RB-91 must be installed adjacent to the lane that is reserved. The position of a reserved bicycle lane sign is determined by the location of the lane for which the sign is intended. When a reserved bicycle lane is shared with buses, taxis or HOVs, the appropriate reserved lane sign (RB-80, RB-81, RB-80A, RB-81A) must be used instead.

RB-92: “RESERVED BICYCLE LANE ENDS” signs shall have a symbol in black of a bicycle and black letters on a white background with a black border, together with a white diamond symbol on a black rectangular area in the upper left-hand corner of the sign. A reserved bicycle lane ends sign must be installed at the end of a reserved bicycle lane to mark its end.

- (d) adding the following paragraph immediately after the paragraph that begins RC-2: “NO FISHING FROM BRIDGE”:

RC-4: “STOP LINE” signs shall have black letters on a white background with a black border, together with a black arrow to show the location of the stop line. A stop line sign indicates the point at which drivers approaching a traffic control device must stop their vehicles. The sign must be used where the location of the stop line is non-standard, or where the required stopping position may not be obvious to drivers. The RC-4R version of the sign must be used when the sign is installed on the right side of the road and the RC-4L version of the sign must be used when the sign is installed on the left side of the road. The side of the road at which a sign is installed is determined by the location of the traffic lane for which the sign is intended.

- (e) striking out the following paragraph:

R-104: “STOP HERE ON RED SIGNAL” signs shall have a symbol in black of an arrow and black letters on a white background.

3 The regulations are further amended by

- (a) adding the signs attached in Appendix “A” to the Province of Nova Scotia Schedule of Official Highway Signs at the end of the regulations; and
- (b) repealing the sign labelled R-104 from the Province of Nova Scotia Schedule of Official Traffic Signs at the end of the regulations.

Health Research Foundation Regulations

Order in Council 2005-355 dated August 5, 2005
Amendment to regulations made by the Governor in Council
pursuant to Section 21 of the *Health Research Foundation Act*

The Governor in Council on the report and recommendation of the Minister of Health dated July 12, 2005, and pursuant to Section 21 of Chapter 14 of the Acts of 1998, the *Health Research Foundation Act*, is pleased to amend the *Health Research Foundation Regulations*, N.S. Reg. 7/2000, made by the Governor in Council by Order in Council 1999-667 dated December 31, 1999, to adjust the distribution of funding for the Health Research Foundation, in the manner set forth in Schedule "A" attached to and forming part of the report and recommendation, effective on and after August 5, 2005.

Schedule "A"

**Amendment to the *Health Research Foundation Regulations* made by
the Governor in Council pursuant to Section 21 of
Chapter 14 of the Acts of 1998, the *Health Research Foundation Act***

Section 3 of the *Health Research Foundation Regulations*, N.S. Reg. 7/2000, made by the Governor in Council by Order in Council 1999-667 dated December 31, 1999, is repealed and the following Section substituted:

Distribution of funding

- 3 (1)** The annual grant made to the Foundation under Section 14 of the Act shall be distributed in accordance with the objects of the Foundation in Section 4 of the Act as follows:
- (a) 30% shall be spent on medical research;
 - (b) 10% shall be spent on health-outcome research;
 - (c) 10% shall be spent on health-services research;
 - (d) 10% shall be spent on health public-policy research;
 - (e) a minimum of 20% may be spent on any or all of the following:
 - (i) innovative health research programming and capacity development,
 - (ii) increasing the public knowledge and awareness of the Foundation,
 - (iii) communicating research findings,
 - (iv) targeting health research priorities under clauses 4(b) and (c) of the Act and Section 12 of the Act; and
 - (f) a maximum of 20% may be spent on administering the Foundation.
- (2)** If in any of the categories outlined in clauses (1)(a) through (d), less than the total money allocated is spent, the remaining portion shall be reallocated to one of the remaining categories outlined in clauses (1)(a) through (d) in a manner determined by the Board.
- (3)** Any person or organization that receives a research grant from the Foundation shall spend a percentage of the grant money, as determined by the Board, on the dissemination of the research findings in a manner determined by the Board.
