Release 4.0
Release Notes for External Users

LaMPSS Release 4.0 is implementing a new Learner Management solution to support the NSSAL service providers who deliver Adult Learning programs and services to Nova Scotians.

Learner Management (LM) Functions

➢ **New Learner Management case (LM) –** New LM Case that will include the following functions for NSSAL service providers:
- o Intake Details
- o Education History
- o Assessment
- o Recommended Learning
- o Referrals
- o Case Transfer
- o Case Homepage with summary of NSSAL services for this learner
- o Notes, Documents, Tasks, Status, etc.
- o Case Details Report / Learning Plan
- o Ability to register a Learner into a service from the Learner Management case

Organization Management

➢ **Organization Self-Serve Users** – New security roles for the new Learner Management solution.

External Case Management (ECM)

➢ **Security Updates** – ECM users will have access to view summary information about Adult Learning Learners via the new LM case.

Service Registration

➢ **New rules for Adult Learning programs -** to ensure a Leaner Management case exists before registering a learner into an Adult Learning service (unless otherwise specified).
➢ **Copy Information from Intake for LM Cases** – when registering a learner into a service, the intake information from the case or the latest service will be available to be copied.
