New version of CSA B139 Installation Code for Oil Burning Code Released

Dated: September 18, 2009

Subject: New edition of code

Please be advised that the 2009 edition of the following code is now available:

B139-09 Installation Code for Oil-Burning Equipment

For your information, this code will come into force in the province of Nova Scotia on January 1, 2010. Any inspections of installations completed after that date will require compliance with the new codes.

Orders for these codes may be made online at

http://www.shopcsa.ca/onlinestore/ISO_Search_Results.asp?query=B139&x=9&y=9

For any questions regarding the new code, please contact me at our Halifax offices.
