Dear Panel Members:

Re: Position Paper

I am writing on behalf of The Nova Scotia Federation of Union Retirees'. We want to see our current pension system strengthened and expanded to provide fair and decent retirement income for all working people.

I want to indicate that we fully endorse the response of the Nova Scotia Federation of Labour to the Panel's position paper of October 17, 2008. We also strongly support their recommendation for a meeting as soon as possible for labour representatives with the panel, especially about the proposed new funding valuation proposal.

I look forward to hearing from you as soon as possible. We hope you will seriously consider the comments, concerns and suggestions of the Federation as part of your further deliberations.

Yours sincerely,

Everett C. Baker

President, NSFUR's
