

Publications Ordering Information

To obtain the price of paper copies of our maps, publications and open files, please contact the Library at the address given below. Nearly all of our recent maps, publications, open files and publicly available mineral exploration assessment reports have been scanned and their PDFs have been posted to the Mineral Resources Branch web site for viewing and free download. All these documents and their PDFs can be accessed through the NovaScan database (<http://gis4.natr.gov.ns.ca/novascan/>).

Microfiche copies of assessment reports publicly released up to the end of 2006 are also available from Precision Document Management, located at 174 Trider Crescent, Burnside Industrial Park, Halifax, NS B3B 1R6; the mailing address is PO Box 46016, Halifax, NS, B3K 2M0. Contact: Juliana MacEwen: 902-455-5451; Fax: 902-442-4145; Email jmmacewen@precisiondms.com. Microfilming of assessment reports ceased at the beginning of 2007 when the scanning of these reports was initiated.

Prepayment is required, in Canadian funds, for all orders, except where prior application for credit has been approved. Visa and MasterCard are accepted.

Cheques or money orders may be drawn payable to the Minister of Natural Resources, Province of Nova Scotia.

Please include 5% Goods and Services Tax (GST) on all text documents (e.g. reports, open file reports, papers, pamphlets, etc.) and 15% Harmonized Sales Tax (HST) on all maps, digital products and also on shipping and handling.

Shipping and handling. The shipping and handling fee is determined by the net value of the order, and is taxable at the applicable rate.
