

NOTICE

Submission of Additional Information for Environmental Assessment ENVIRONMENT ACT

This is to advise that on January 24, 2002, Black Bull Resources Inc. (Black Bull) submitted an Addendum to the currently registered Environmental Registration Document for Environmental Assessment of the White Rock quartz, kaolin and mica surface mine, in accordance with Part IV of the Environment Act.

The purpose of the proposed undertaking is to develop a surface mine for the extraction and processing of quartz, kaolin and mica in the Flintstone Rock area of northeastern Yarmouth County. The mine would commence production of quartz products in Spring, 2002 with kaolin and mica production following in 2004 subject to the completion of processing facilities. Products would be shipped via ground to port facilities in Weymouth, Yarmouth and Shelburne for transport via ocean to markets in Atlantic Canada, central Canada and the US. The mine life is in the order of 25 years based on known reserves.

Copies of the Addendum and the original Environmental Registration Document may be examined at the following locations:
