## Preparation of Terms of Reference for an Environmental Assessment Report Pursuant to the Nova Scotia Environment Act

This is to advise that on February 18, 2002, the Minister of Environment and Labour determined that the review of Black Bull Resources Incorporated's proposed White Rock Mine near Flintstone Rock, Yarmouth County, Nova Scotia indicates that there may be adverse effects or significant environmental effects caused by the undertaking and an environmental assessment report is required. The purpose of the proposed undertaking is to develop a surface mine for the extraction and processing of quartz, kaolin and mica.

**The Nova Scotia Department of Environment and Labour is inviting the public to submit written comments for consideration in preparation of terms of reference for the environmental assessment report.**

*Copies of the Proposed Terms of Reference may be examined beginning March 1, 2002 at the following locations:*
