

# NOTICE

## Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise that on January 18, 2022, Natural Forces Developments Limited Partnership (the Proponent) registered a wind energy project called the Benjamins Mill Wind Project (the Project) for environmental assessment, in accordance with Part IV of the Environment Act.

The purpose of the proposed undertaking is to construct up to 28 wind turbines for a wind energy project located in West Hants Regional Municipality, approximately 13 km southwest of Windsor, NS. The Project will produce up to 150 MW of renewable energy from wind turbines that are up to 200 m tall to the tip of the blade and individually produce up to 6.2 MW. Construction would start in the fall of 2022 at the earliest. The Project is expected to be operational for a minimum of 25 years starting in 2024.

Copies of the environmental assessment registration information may be examined at the following locations:

- Nova Scotia Environment, Regional Office, 136 Exhibition St, Kentville, NS
- EA website (when available) <https://www.novascotia.ca/nse/ea/>
- Windsor Regional Library, 195 Albert St, Windsor, NS
- West Hants Municipal Office, 100 King St., Windsor, NS

The public is invited to submit written comments to:

Environmental Assessment Branch  
Nova Scotia Environment  
P.O. Box 442, Halifax, Nova Scotia B3J 2P8

on or before February 17, 2022 or contact the Department at (902) 424-3600, (902) 424-6925 (Fax), or e-mail at [EA@novascotia.ca](mailto:EA@novascotia.ca).

All comments received from the public consultation will be posted on the department's website for public viewing. In the case of an individual, the address, email and contact information will be removed before being placed on the website. By submitting your comments, you are consenting to the posting of your comments on the department's website.
