

Tidney Lake Addition

COUNTY: Queens

WILDERNESS AREA: Tidney River

TOTAL AREA: 20.23 hectares (50.0 acres)

PID: 70074695

DESCRIPTION:

- The Tidney Lake addition is the smallest of four properties acquired for addition to Tidney River Wilderness Area.
- This lake-front property is a land inholding in the interior of the wilderness area, on Tidney Lake.
- The property includes wetlands and borders a back-country canoe route.
- With addition of this property to Tidney River Wilderness Area, all lands surrounding Tidney Lake will be protected.
- Protection of this property will help maintain the wilderness recreation opportunities within this wilderness area; and will simplify boundaries, area management and enforcement.
