

# How should Nova Scotia manage its water resources ?

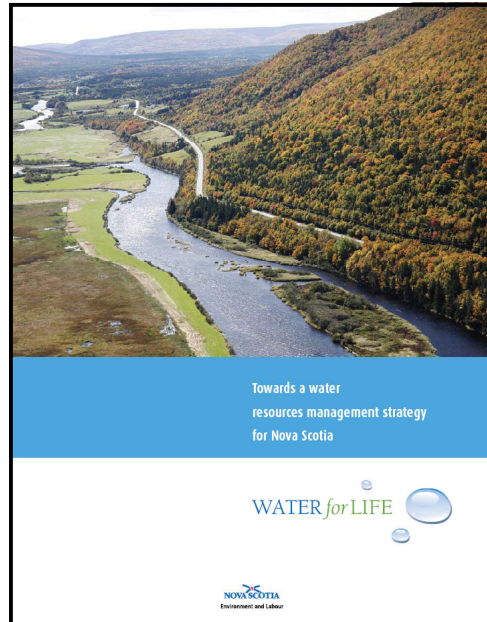

## Public Workshop Schedule

### We'd like to hear your ideas.

You are invited to a public workshop. Share your input on the best ways to protect, preserve, and use our water - today, and in the future.

You can help develop Nova Scotia's strategy for managing our water resources.

Read the discussion paper at [www.gov.ns.ca/nse/water](http://www.gov.ns.ca/nse/water). And attend a public workshop, 6:30pm to 9:00pm at one of these locations:
