B. Interpretation

The following terms have the meanings provided in National Instrument 14-101 *Definitions*: jurisdiction; securities directions; securities legislation; securities regulatory authority; and regulator (other than when used in the term IPO Regulator, Lead Regulator or QT Regulator).

II. Background and Purpose

1. The CPC Policy establishes a program under which a CPC may conduct an initial public offering by prospectus and obtain a listing on TSX Venture's Tier 2. The program requires the CPC to identify and complete a Qualifying Transaction within a specified period of time after listing. After the CPC obtains the necessary shareholder approval or files the QT Circular on SEDAR, as applicable, it closes the Qualifying Transaction and submits to TSX Venture all required post-meeting and post-closing documents. Provided that the Resulting Issuer meets applicable TSX Venture minimum listing requirements, TSX Venture issues a Final Exchange Bulletin and the Resulting Issuer is no longer considered to be a CPC.
2. TSX Venture administers the CPC program and wishes to review CPC Prospectuses and QT Circulars in order to more effectively administer the CPC program, reduce duplication of review, improve market efficiencies and provide consistent treatment to CPCs among CPC Jurisdictions.
3. In agreeing to accept the CPC program and in determining that the operation of the CPC program is not contrary to the public interest, the Commissions considered that it was appropriate to enter into this Agreement to set out the standards TSX Venture will apply in review of CPC Prospectuses and QT Circulars.

4. The Commissions, in exercising their discretion under securities legislation, intend to rely primarily on the analysis and review carried out by TSX Venture. However, nothing in this Agreement involves a surrender of jurisdiction by any Commission. Each Commission may conduct a detailed review of a CPC Prospectus and retains its discretion to refuse to issue a Receipt for a CPC Prospectus, whether a preliminary or final or an amendment of either. Nothing in this Agreement is intended to create an obligation on any Commission to review a preliminary CPC Prospectus or draft QT Circular.

III. Responsibilities of IPO Regulator

A. Issuing Receipts

1. The IPO Regulator will be responsible for issuing the Receipt for the preliminary CPC Prospectus, the final CPC Prospectus and any amendment to a preliminary or final CPC Prospectus.

B. Commission Review of CPC Prospectus

1. An Applicable Commission may elect to conduct a detailed review of a CPC Prospectus. An Applicable Commission will use its reasonable best efforts to advise TSX Venture of this in writing, within five business days following the filing of the CPC Prospectus.
2. An Applicable Commission will immediately notify the CPC in writing of this election and will advise the CPC to deal directly with that Applicable Commission.
3. The terms of this Agreement shall continue to apply to the parties except to the extent they relate to the review of that CPC Prospectus and the issuance of Receipts for it.

IV. CPC Prospectus: Responsibilities of TSX Venture

1. When reviewing a CPC Prospectus, TSX Venture will exercise its reasonable professional judgment.
2. TSX Venture, on a timely basis, having regard to the procedures set out in Part I of Appendix A, will use its reasonable best efforts to:
 - (a) apply and enforce the CPC Policy;
 - (b) assess the quality of the disclosure contained in the CPC Prospectus to determine whether it appears to:
 - (i) comply in all material respects with the CPC Prospectus Form; and
 - (ii) contain full, true and plain disclosure of all material facts relating to the securities offered by the CPC Prospectus, and
 - (c) identify material issues and consider whether there appear to be any Receipt Refusal Concerns.

3. TSX Venture will not recommend issuance of a final Receipt for a CPC Prospectus where it appears to TSX Venture that:
 - (a) there are unresolved Receipt Refusal Concerns;
 - (b) the CPC Prospectus does not comply with the tests set out in sub-paragraph 2(b)(i) and (ii), above;
 - (c) there is material non-compliance with the CPC Policy and such non-compliance, if allowed, would constitute a Significant Waiver unless the necessary exemption or waiver has been granted in accordance with Part VI of the Agreement; or
 - (d) any necessary exemption or waiver from securities legislation or securities direction has not been granted by the relevant securities regulatory authority(ies) or regulator(s).

4. This Agreement does not impose on TSX Venture a standard higher than that which would be achieved by the exercise of reasonable professional judgment. This Agreement does not impose a responsibility on TSX Venture to:
 - (a) be a substitute for the due diligence investigations of the CPC, its directors, officers, and promoters or the agent;
 - (b) ensure the viability of the CPC;
 - (c) guarantee the adequacy of the disclosure in the CPC Prospectus;
 - (d) guarantee that there are no Receipt Refusal Concerns;
 - (e) guarantee compliance with the CPC Policy; or
 - (f) guarantee compliance by the CPC with applicable securities legislation or securities directions.

V. Qualifying Transaction: Responsibilities of TSX Venture

1. When reviewing a QT Circular filing, TSX Venture will exercise its reasonable professional judgment.

2. When reviewing a QT Circular, TSX Venture, on a timely basis, having regard to the procedures set out in Part II of Appendix A will use its reasonable best efforts to:
 - (a) apply and enforce the CPC Policy; and
 - (b) assess the quality of the disclosure in the QT Circular to determine whether it appears to comply in all material respects with the QT Circular Form.

3. TSX Venture will not accept a QT Circular where it appears to TSX Venture that:
 - (a) the QT Circular does not comply in all material respects with the QT Circular Form;

- (b) there is material non-compliance with the CPC Policy and such non-compliance, if allowed, would constitute a Significant Waiver, unless a Significant Waiver has been granted in accordance with Part VI of this Agreement; or
 - (c) any necessary exemption or waiver from securities legislation has not been granted by the relevant securities regulatory authority(ies) or regulator(s).
4. This Agreement does not impose on TSX Venture a standard higher than that which would be achieved by the exercise of reasonable professional judgment. This Agreement does not impose a responsibility on TSX Venture to:
- (a) be a substitute for the due diligence investigations of the CPC, its directors, officers, promoters or the Sponsor;
 - (b) ensure the viability of the Resulting Issuer;
 - (c) guarantee the adequacy of the disclosure in the QT Circular;
 - (d) guarantee there are no public interest concerns;
 - (e) guarantee compliance with the CPC Policy; or
 - (f) guarantee compliance by the CPC, Target Company or the Resulting Issuer with applicable securities legislation or securities directions.

VI. Waivers and Amendments

A. Waivers of Securities Legislation and Securities Directions

1. **General** - In regard to pre-filings and waivers of securities legislation in connection with a CPC Prospectus filing, the principles of mutual reliance, as amended from time to time will apply. The mutual reliance procedures are described in the MRRS Policy and the MRRS ERA Policy.
- (a) **CPC Prospectus** - Subject to amendment of those policies, where a waiver or exemption is required in connection with a CPC Prospectus, generally, this will mean that:
 - (i) The IPO Regulator will act as principal regulator under the MRRS Policy or MRRS ERA Policy, as applicable, unless relief is not required from the IPO Regulator, in which case the Commission with which the CPC has the next most significant connection will act as principal regulator.
 - (ii) If referred to in Appendix B to the MRRS Policy, (e.g. relief from requirements relating to financial statements, escrow or listing representations) the application will be dealt with under the MRRS Policy and the relief will be evidenced by the issuance of a Receipt.
 - (iii) Where a waiver or exemption cannot be evidenced by the issuance of a Receipt for a CPC Prospectus, the matter will generally be dealt with under the MRRS ERA Policy.

- (b) **QT Circular** - Notwithstanding the MRRS ERA Policy, when an exemption from securities legislation, if applicable, is required in regard to the disclosure that must be provided in a QT Circular, generally, the QT Regulator will act as the principal regulator unless relief is not required from the QT Regulator, in which case the CPC will select as principal regulator the Commission with which the Resulting Issuer will have the next most significant connection.
- 2. **TSX Venture Advice** - TSX Venture will require a CPC to identify at the time of filing the preliminary CPC Prospectus and the draft QT Circular whether any waiver or exemption from securities legislation or securities directions is required. If a waiver or exemption is required in connection with a CPC Prospectus, TSX Venture will advise the IPO Regulator whether it has any objection to the requested waiver or exemption.

B. Significant Waivers of CPC Policy and Forms

- 1. TSX Venture agrees not to allow any Significant Waiver of the CPC Policy, the CPC Prospectus Form or its QT Circular Form unless TSX Venture has considered the proposed waiver and determined that granting the waiver:
 - (a) is a reasonable exercise of discretion; and
 - (b) does not to the best of its knowledge, authorize an action which is contrary to applicable securities legislation except where a waiver or exemption has also been obtained from the applicable securities regulatory authority(ies) or regulator(s).

C. Amendments to the CPC Policy, CPC Prospectus Form or QT Circular Form

Any proposed amendment to any provision of the CPC Policy, the CPC Prospectus Form or the QT Circular Form (a “Policy Amendment”), will be reviewed and approved by the Lead Regulator and the BCSC (the “Primary Regulators”) in accordance with the oversight program established for TSX Venture by the Primary Regulators from time to time and in accordance with the procedures set out in Part VI of Appendix A.

VII. Violation of Securities Legislation

- 1. In the event that in the context of a review of a CPC Prospectus, or a QT Circular, TSX Venture becomes aware of a circumstance that appears to be a violation of applicable securities legislation:
 - (a) TSX Venture will conduct a reasonable inquiry into the matter;
 - (b) if the results of the inquiry reveal a circumstance that TSX Venture perceives to be a contravention of securities legislation, TSX Venture will immediately provide written notification to the Applicable Commissions to the persons identified in Appendix E; and

- (c) TSX Venture will not take any further action with regard to acceptance of the CPC Prospectus or the QT Circular until the Applicable Commission has confirmed it has no objection to TSX Venture proceeding.

VIII. Reporting

1. Unless otherwise agreed to by the Lead Regulator, TSX Venture will submit to each of the Commissions the information referred to in:
 - (a) Part V A 3 (a) and (c) of Appendix A, except for a Significant Waiver contemplated by section 2 of Appendix B, in which case, TSX Venture will provide the name of the CPC and the financial statement requirement that was waived; and
 - (b) Part V B of Appendix A

within 30 days after the end of a reporting period. Reporting periods are for six month periods ending on June 30 and December 31 of each year.

IX. Miscellaneous

A. Application of this Agreement

1. This Agreement will apply only to a CPC that files a preliminary CPC Prospectus with an Applicable Commission on or after the effective date of this Agreement.
2. In the review of a CPC Prospectus or a Qualifying Transaction with regard to a CPC, JCP, VCP or keystone company that has filed a preliminary prospectus , prior to the effective date of this Agreement, TSX Venture will continue to be subject only to the applicable prior operating agreement.

B. Effective Date

This Agreement will come into effect on March 24, 2005 and amends and restates an earlier agreement of June 15, 2002.

C. Cancellation of this Agreement

1. A Commission may terminate its participation in this Agreement by giving six months prior written notice to the other parties. If any Commission cancels its participation in this Agreement, TSX Venture will cease to have authority to review CPC Prospectuses in that jurisdiction from the effective date of cancellation. Notwithstanding such cancellation, the Agreement will continue to bind the other parties.

2. TSX Venture may terminate this Agreement with any one or more Commissions on six months notice. However, the Agreement will continue to apply with regard to any CPC that has filed a preliminary CPC Prospectus before the effective date of TSX Venture's termination.
3. Notice of termination will be given to the persons referred to in Appendix C, and to the President of TSX Venture.
4. If TSX Venture materially breaches this Agreement, a Commission may terminate this Agreement immediately.

D. Appendices

Appendix A to this Agreement provides the relevant policies and procedures for review of a CPC Prospectus and a QT Circular, qualifications of CPC Review Staff and QT Review Staff, SEDAR filings, file maintenance and Policy Amendments. Appendix B identifies waivers from the CPC Policy that are considered Significant Waivers. Appendix C identifies the persons to whom proposed CPC Policy, CPC Prospectus Form, and QT Circular Form amendments and amendments to this Agreement are to be addressed. Appendix D identifies the parties required to approve amendments to this Agreement. Appendix E identifies the persons to be notified if TSX Venture perceives that securities legislation has been contravened. The Appendices form part of this Agreement.

E. Consultation

Unless otherwise agreed to between TSX Venture and the Lead Regulator, TSX Venture will meet at least semi-annually with the Lead Regulator, within 30 days of the end of each reporting period referred to in section VIII of this Agreement, in order to review and enhance the operation of this Agreement and to identify and discuss issues that have arisen during that period.

F. Amendments to Operating Agreement

1. Subject to paragraphs 4 and 5, amendments may be made to this Agreement upon the written consent of TSX Venture and the parties referred to in Appendix D.
2. If a Commission requests an amendment, the request will be made in writing and sent by that Commission to the Lead Regulator to be coordinated by the Lead Regulator among the Commissions prior to it being sent to TSX Venture. TSX Venture will endeavor to provide a response or consent to the Lead Regulator within 30 days of receipt of any written request from the Lead Regulator.

3. If TSX Venture requests an amendment, TSX Venture, in a covering letter sent to the Commissions, will provide a narrative summary and reasons for the proposed amendment together with a copy of the proposed amendment. The Commissions will follow principles of mutual reliance in considering the amendment. The Lead Regulator will consolidate written responses and/or coordinate consents from the other Commissions and will endeavor to provide such responses and/or consents to TSX Venture within 30 days of receipt of any written request from TSX Venture.
4. An amendment to the information respecting a Commission contained in Appendix C, D or E may be made by that Commission without the consent of any other party to this Agreement, provided that any such Commission sends written notice of such amendment to the other parties in the form of a revised Appendix C, D or E, as the case may be.
5. (a) No amendment to this Agreement shall affect the OSC until the procedures set out in section 143.10 of the Securities Act (Ontario) (the “Ontario Act”) have been complied with, unless:
 - (i) the amendment is an amendment to an Appendix;

 - (iii) on the date upon which the proposed amendment is to become effective, section 143.10 of the Ontario Act no longer applies to this Agreement.
- (b) Where section 143.10 of the Ontario Act applies to this Agreement, the amendment shall come into effect with respect to the OSC on the date determined in accordance with section 143.10 of the Ontario Act.
- (c) Where section 143.10 of the Ontario Act does not apply to this Agreement, the amendment shall come into effect with respect to the OSC upon the written consent of TSX Venture and the parties referred to in Appendix D.

I. CPC Prospectus

A. Filing of CPC Prospectus

1. **CPC Policy Requirements** - TSX Venture will require each CPC, subject to the grant by TSX Venture of a Significant Waiver:
 - (a) to comply in all material respects with the CPC Policy;
 - (b) to prepare the CPC Prospectus in accordance with the CPC Prospectus Form or any successor form;
 - (c) to identify in the cover letter accompanying the filing of the preliminary CPC Prospectus, in addition to any requirement of Part 9 of the MRRS Policy, any required waivers or exemptive relief applications from applicable securities legislation, securities directions or TSX Venture requirements;
 - (d) to file the CPC Prospectus together with supporting materials in accordance with the MRRS Policy; and
 - (e) to confirm to the IPO Regulator in a letter accompanying the preliminary filing materials that it has made application, or is concurrently making an application, to TSX Venture to list its securities on TSX Venture.

B. Review of Preliminary CPC Prospectus

1. **Review Procedures** - The following review procedures will apply in respect of the filing of a CPC Prospectus:
 - (a) **General Review** – After the preliminary Receipt is issued by the IPO Regulator, TSX Venture will promptly review the CPC Prospectus and supporting materials in accordance with its review procedures.
 - (b) **TSX Venture Background Checks** – Subject to subsection (c), as soon as possible after receiving the PIF for any director, officer, Insider, promoter or Control Person of the CPC, TSX Venture will, or will cause its RSP to, conduct background checks on each such person or company to determine whether there is relevant material information of detriment with respect to a director, officer, Insider, promoter or Control Person of the CPC that would give TSX Venture reason to believe that there is a Receipt Refusal Concern.

- (c) **TSX Venture Discretion on Background Checks** - TSX Venture may choose not to carry out a background check for any person referred to in subsection (b) if:
- (i) the person is currently on the board of directors or a member of senior management of an issuer that is listed on TSX Venture or the Toronto Stock Exchange (TSX), and
 - (ii) either:
 - (A) TSX Venture or its RSP has:
 - (I) required a PIF and conducted background checks on that person in the prior 18 month period, and those prior background checks did not disclose material issues of detriment, and
 - (II) received a statutory declaration from that person confirming that there has been no change in the information disclosed in the most recent PIF filed by that person; or
 - (B) a Vice-President Corporate Finance of TSX Venture has concluded that it is not necessary to conduct background checks because the person has exhibited:
 - (I) a satisfactory track record with public companies in Canada or the United States, and
 - (II) a positive corporate governance and regulatory history.
- (d) **IPO Regulator Background Checks** – The IPO Regulator will initiate its own background checks. In the event the IPO Regulator identifies any questions or concerns as a result of those background checks, the IPO Regulator will deal directly with the CPC or the applicable person or company and, if the questions or concerns are satisfactorily resolved, the IPO Regulator will advise TSX Venture accordingly by fax or e-mail.
- (e) **Communication with CPC Relating to Background Checks** – TSX Venture will address details of any issues or concerns arising from background checks conducted on any director, officer, Insider, promoter or Control Person of the CPC as soon as possible after receipt of any such background checks. If confidential inquiries regarding potential information of detriment are necessary, the communication may be made in writing directly with the applicable individual and need not be sent via SEDAR. However, TSX Venture must maintain a record of that communication.
- (f) **General TSX Venture Responsibility** - Subject to subsection (d), TSX Venture will be responsible for issuing and resolving comments on the CPC Prospectus and related materials and the CPC will generally deal solely with TSX Venture.
- (g) **TSX Venture Financial Statement Review** – TSX Venture will provide the CPC Prospectus (including the financial statements) to a Qualified Accountant for review and comment if:

- (i) the financial statements consist of anything other than an audit report, opening balance sheet, an income statement and notes;
 - (ii) there are any items in the balance sheet, income statement, if applicable, or notes that deviate from those customarily contained in the financial statements accompanying a CPC Prospectus; or
 - (iii) there is any reservation in the auditor's report.
- (h) **TSX Venture Initial Comment Letter** – TSX Venture will use its reasonable best efforts to send an initial comment letter to the CPC within 10 business days of the date of the Receipt for the preliminary prospectus. The initial comment letter will provide a clear and full explanation of TSX Venture's material concerns and the issues to be resolved, including:
- (i) any Receipt Refusal Concerns;
 - (ii) any material disclosure deficiencies;
 - (iii) any non-compliance with the CPC Policy that if permitted would constitute a Significant Waiver and, unless an application has already been filed, a direction to the CPC to comply with the CPC Policy or make application to TSX Venture for a Significant Waiver;
 - (iv) requests for any additional information reasonably required to assess the filing; and
 - (v) a request that the CPC confirm that all necessary applications for exemptive relief or waivers have been made to the Applicable Commissions.
- (i) **Comments of Applicable Commissions** – Within five business days after TSX Venture issues its initial comment letter, each Applicable Commission (other than the IPO Regulator) will use its reasonable best efforts:
- (i) to advise TSX Venture and the IPO Regulator by fax or e-mail if it has any material concerns with the materials that, if left unresolved, would cause it to opt out of the MRRS Policy, or
 - (ii) if there are no outstanding applications for exemption orders or waivers filed with it, to indicate in the SEDAR "Filing Status" screen that it is clear to receive final materials.
- (j) **Comments of IPO Regulator** - Within five business days after TSX Venture issues its initial comment letter, the IPO Regulator will use its reasonable best efforts to advise TSX Venture by fax or e-mail if it has any material concerns with the materials (other than as a result of background checks), that if left unresolved, would cause it to refuse to issue a Receipt. TSX Venture will incorporate into a subsequent comment letter or send as an attachment to the CPC any material concerns raised by the IPO Regulator.

- (k) **Treatment of Concerns** - As soon as possible after receipt of a notice, under section 1 (i) above, the IPO Regulator will advise TSX Venture whether it considers the concern to be a Receipt Refusal Concern or other concern required to be raised, and if it does, TSX Venture will incorporate the concern into a subsequent comment letter or send it as an attachment to the CPC. Where the IPO Regulator does not consider the concern to be a Receipt Refusal Concern or another concern required to be raised, TSX Venture may nonetheless include the concern in a subsequent comment letter or send it as an attachment to the CPC. If an Applicable Commission opts out of the MRRS Policy, this Agreement will remain in effect and the Applicable Commission will deal with the CPC separately to resolve the concern.
 - (l) **Notices Under MRRS Policy** – Any notice from an Applicable Commission that is required to be provided under the MRRS Policy to the principal regulator will be provided at the same time to both TSX Venture and the IPO Regulator.
- 2. **Written Record of Material Communication** - Material communication including comment letters and responses to comment letters, between TSX Venture and the CPC will generally be in writing and delivered via SEDAR. Any material verbal communication must be documented in writing, including the nature and outcome of the discussion.
 - 3. **CPC’s Response** - Where issues or deficiency comments were initially raised by a Qualified Lawyer or Qualified Accountant, that individual (or a similarly qualified individual) will consider the acceptability of the CPC’s responses.
 - 4. **Invitation to File Final Material** - TSX Venture will only invite the CPC to file final material when the IPO Regulator has indicated via SEDAR, in the SEDAR “Filing Status” screen that it is “Clear for Final”. Before the IPO Regulator will indicate that it is “Clear for Final”, it will generally require that TSX Venture provide written confirmation that:
 - (a) all of TSX Venture’s comments on the preliminary CPC Prospectus filing (including those raised by an Applicable Commission) have been satisfactorily resolved;
 - (b) TSX Venture has received either:
 - (i) the results of all TSX Venture background checks as carried out in accordance with section B 1(b) and any relevant information of detriment revealed by those background checks has been appropriately resolved and, if necessary, disclosed in the CPC Prospectus, or

TSX Venture will conduct or will cause its RSP to conduct a reasonable review to determine whether there is relevant material information of detriment with respect to a director, officer, Insider, promoter or Control Person of the Resulting Issuer that would give TSX Venture reason not to accept the Qualifying Transaction.
4. **TSX Venture Discretion on Background Checks** - TSX Venture may choose not to carry out a background check for any person referred to in section 3 if:
 - (a) the person is currently on the board of directors or a member of senior management of an issuer that is listed on TSX Venture or the TSX, and
 - (b) either:
 - (i) TSX Venture or its RSP has:
 - (A) required a PIF and conducted background checks on that person in the prior 18 month period, and those prior background checks did not disclose material issues of detriment, and

TSX Venture or its RSP will conduct such inquiry or investigation as TSX Venture or its RSP, as the case may be, determines to be reasonably necessary or advisable in the circumstances.
- 6. **Financial Statements** - TSX Venture will provide the financial statements included in the draft QT Circular to a Qualified Accountant for review and comment. The Qualified Accountant will assess whether it appears that:

 - (c) all material facts contained in the reports are fairly disclosed or summarized in the QT Circular and in this regard, quantities, values and disclosure in the reports are consistent with the disclosure in the QT Circular.

If the Resulting Issuer will be a mining issuer, the review may be conducted by either a Qualified Resource Professional or a member of QT Review Staff, but if the property contains reserves and resources or an economic valuation, such as scoping, pre-feasibility or feasibility studies, the review must be conducted by a Qualified Resource Professional. If the Resulting Issuer will be an oil and gas issuer, the review may be conducted either by a Qualified Resource Professional or a member of the QT Review Staff. However, TSX Venture will maintain a record of that communication.

 - at the request of TSX Venture, if TSX Venture in its sole discretion, considers the resignation, divestiture or cessation of involvement appropriate;
 - (c) TSX Venture is not aware of any other circumstances that would cause it, having regard to section V. 2. of the Agreement, to conclude that there has been a failure to materially comply with the CPC Policy, except where a Significant Waiver waiving such non-compliance has been granted;
 - (d) TSX Venture has granted conditional acceptance of the Qualifying Transaction;
 - (e) any Significant Waivers required to be granted by TSX Venture have been granted; and
 - (f) to the best of its knowledge, any exemptive relief or waiver required from any securities regulatory authority(ies) or regulator(s) in connection with the Qualifying Transaction has been granted or the relevant securities regulatory authority(ies) or regulator(s) has confirmed that the QT Circular can be sent to shareholders or filed on SEDAR, as applicable, prior to the granting of such relief or waiver.
