When completing the following five sections, please use plain language to describe the nominee's actions. The selection panel evaluating all submissions is comprised of provincial public servants external to the PSC and their evaluation will be based solely on the information contained in this package.

Assessment Criteria

Please keep the following guiding questions in mind in your description of the nominee(s) ability in demonstrating the corporate values:

- What was done and how? [Role of the individual, actions taken, time period]
- The result and impact of the activity on the organization (PSC)? [PSC Business Plan, Corporate HR Plan]
- The result and impact of the activity on individuals or groups? [Clients, Community, stakeholders, Colleagues]

Respect

We value a workplace culture where people respect one another in their interactions with co-workers and members of the public.

Integrity

We value a workplace culture where personal and professional integrity cause us to behave in a non-partisan and ethical way and to make the best use of the resources entrusted to us.

Diversity

We value a workplace where diversity, in all its forms, is encouraged and recognized for its contribution to a more creative, rewarding, and productive public service to our broader community.

Accountability

We value a workplace where accountability for our actions, our interactions, the objective and wise use of resources, and responsibilities for our successes and failures is reflected in how we conduct ourselves. We are accountable to the citizens of Nova Scotia, to our co-workers, and to our many partners in service delivery.

The Public Good

We value the very special relationship we have with the citizens of Nova Scotia and are committed to developing and delivering services that are in the public's interest, are for the public good, and to be a professional public service that is deserving of the public's trust.
