

ACKNOWLEDGEMENTS

In 2006, Service Nova Scotia and Municipal Relations published the Financial Reporting and Accounting Manual to replace the Municipal Accounting and Reporting Manual.

The Financial Reporting and Accounting Manual has been updated in order to make the forms more user friendly and to provide the information required by SNSMR. These changes were developed by a group of municipal officials and staff of Service Nova Scotia and Municipal Relations, with the assistance of consultants from Grant Thornton LLP.

Service Nova Scotia and Municipal Relations would like to acknowledge and thank the following group of municipal officials, who contributed invaluable expertise and considerable time from their busy schedules to assist in the modifications of the Manual:

Pam Caswill, CA, Manager, Financial and Reporting Policy and Treasury, Halifax Regional Municipality
Alain Muise, CA, Chief Administrative Officer, Municipality of Argyle
Gerry Verran, CMA, Director of Finance, Town of Yarmouth

SNSMR staff who participated in the modifications of the Manual include: Bongsun Cho-MacDonald, Junjie (Jack) Jiang, Jeff Shute, CA, and Paul Wills, CMA.

Service Nova Scotia and Municipal Relations would also like to thank the many municipal officials throughout the province who participated by attending consultation and information sessions, and providing feedback. Their time and expertise has been greatly appreciated.
