

PART XIII

SOLID-WASTE RESOURCE MANAGEMENT

By-law regarding solid waste

325 The council may make by-laws respecting solid waste, including, but not limited to,

- (a) prohibiting persons from depositing any solid waste except at a solid-waste management facility;
- (b) regulating the disposal, collection and removal of solid waste;
- (c) regulating the use of containers for solid waste;
- (d) licensing persons engaged in the business of removing or collecting solid waste, regulating the operation of the business and prohibiting, in whole or in part, the operation of such a business by a person not holding a licence;
- (e) prescribing the materials that may or may not be deposited at a solid-waste management facility of the municipality or in which the municipality participates;
- (f) prescribing the terms and conditions under which a deposit may be made at a solid-waste management facility of the municipality or in which the municipality participates, including the amount and manner of payment of any fees and charges to be paid for the deposit;
- (g) requiring the separation of solid waste prior to collection;
- (h) setting fees or charges for removal of solid waste;
- (i) requiring compliance with a waste resource diversion strategy;
- (j) respecting anything required to implement the integrated solid-waste resource management strategy of the municipality.

Solid-waste management

326 (1) A municipality may provide compensation to an area, to the property owners in an area or to the residents of an area in which a solid-waste management facility is located in amounts, and under the conditions, determined by the council.

(2) A municipality may contract with other municipalities or persons for the use of any component of its solid-waste management program.
