Bulletin 5068

Bulletin: 5068
Date: April 29, 2008
Subject: Notice to Bulk Vendors of Electricity - "Your Energy Rebate"

Bulk Vendors of electricity are advised that the current rebate for residential electricity consumers being charged a domestic service rate will be temporarily suspended from May 15, 2008 until August 31, 2008 inclusive. Any rebate amounts earned under the current rebate program on electricity consumed before May 15, 2008 but not yet rebated are to be credited to the customer.

Effective September 1, 2008, the rebate on electricity will resume for Nova Scotian households being charged a domestic service rate. A rebate will be issued only on electricity consumed on or after September 1, 2008, in excess of a threshold amount per period calculated by multiplying 27.4 KWh/day by the number of days covered by the period that are after August 31, 2008. The base charge will no longer be eligible for a rebate.
