## Bulletin 5072

---

**Bulletin:** 5072 R2  
**Date:** January 11, 2011  
**Subject:** Notice to Bulk Vendors "Your Energy Rebate" – Status Changes

---

Bulk Vendors are advised there has been a change to the eligibility status of some properties as of Tuesday October 14, 2008. This change means some properties previously receiving the provincial rebate at point of sale are now required to submit an application. This change ensures only properties with a 100% residential taxable status receives the rebate at the time of delivery.

A list of affected properties for the counties in their service area has been provided to all bulk vendors registered under the program. The list was provided by county and in numerical order based on civic address to assist in updating the eligibility status of these properties.

We are extending the date for compliance with the required eligibility status of these properties until **November 14, 2008**.

Bulk vendors are required to confirm the eligibility of their customers.

Customer eligibility may be verified using the Eligibility Tool on the Bulk Vendor section of the Your Energy Rebate Program website, by calling Service Nova Scotia and Municipal Relations at 1-800-670-4357 or 1-902-424-5200 (In HRM) or by email at [yourenergyrebate@gov.ns.ca](mailto:yourenergyrebate@gov.ns.ca).

Your Energy Rebate Program website: [gov.ns.ca/snsmr/access/business/your-energy-rebate.asp](http://gov.ns.ca/snsmr/access/business/your-energy-rebate.asp)

Customers of Your Energy Rebate fall into one of three categories:

1. Customers who are eligible for the energy rebate at source.
2. Customers who are eligible for the rebate through the submission of an application form.
3. Customers who are not eligible for the rebate.

Your role as a bulk vendor is to provide rebates to those customers who are eligible at source for the rebate(i.e. customers identified in #1 above).

### Reminder

Addresses should be entered as a civic number and name only (e.g. 51 Willow). The words and abbreviations such as street, road, lane, St., Rd., Ave., Blvd., or Dr. should not be entered into the address field.
