Bulletin: 5075
Date: November 13, 2008
Subject: Notice to Bulk Vendors "Your Energy Rebate" – Status Changes Implementation Process and Deadline Extension

Bulk Vendors are advised there has been a change to the compliance date to verify the status of their customers affected by the recent correction to the eligibility tool.

A number of bulk vendors have expressed concerns about their ability to complete the task in time to meet the compliance deadline. After consulting with industry representatives, bulk vendors who have been unable to verify their customers in time to meet the November 14th compliance date will be able to send their customer lists to Service Nova Scotia and Municipal Relations for verification. Bulk vendors wishing to have their customer lists verified, must submit them by **December 1, 2008**. Electronic lists are preferred, but not compulsory.

A bulk vendor will not be held responsible for a rebate issued in error to one of the properties affected by the eligibility tool correction until Service Nova Scotia and Municipal Relations has returned the verified customer list to the bulk vendor.

For bulk vendors who have already verified their customers, the compliance date is being extended. You will not be held responsible for rebates to affected properties until **January 15, 2009**.

We are extending the date for compliance with the required eligibility status of these properties until **the latter of January 15, 2009 or the date Service Nova Scotia and Municipal Relations returns the bulk vendor's verified customer list.**

Please send customer lists to:
