Re: Omission of GGI Entries from January 1, 1959 to March 12, 2007

Please be advised that the Halifax Land Registration Office is currently working on a file improvement project that will result in the addition or revision of Grantor/Grantee names in the GGI. There are instances where Grantor and/or Grantee names were never previously indexed and thus were never searchable in the GGI. Based upon this project, there will be omission notices prepared on a periodic basis to notify you of all the various revisions that have been made to the GGI.
