

NOTICE - Halifax Land Registration Office

Re: Omission/Correction of GGI Entries from January 1, 1899 - September 26, 2007

Please be advised that the Halifax Office is currently working on a File Improvement project that will result in the addition or revision of Grantor/Grantee names in the GGI. There are instances where Grantor and/or Grantee names were never previously indexed and thus were never searchable in the GGI. Based upon this project, there will be omission notices prepared on a periodic basis to notify you of all of the various revisions that have been made to the GGI.

Grantor Names that were previously omitted and have been added to the GGI
