1. Determine gross weight in kilograms you are registering the vehicle.
 2. Locate the gross weight in kilograms in Column A. If the exact gross weight is not shown, use the next higher registered weight that is shown.
 3. Select the number of registration months you wish to purchase. (Note: minimum 3 months)
 4. The fee required for the registration period selected is located by drawing a line from the weight Column A, across to the numbers of registration months purchased.
- Note: Fee for registration periods of 11 months or less includes a \$12.10 administration charge.
