

# SNOW PARKING

Encouraging safe travel on Nova Scotia's roads is a high priority for the Department of Transportation and Infrastructure Renewal.

During the winter months, this means ensuring snow removal crews can work as quickly and efficiently as possible.

Parked cars can seriously impede snow clearing operations.

Help our crews by observing winter parking regulations, in effect from December 15, 2011 to March 31, 2012.

During that period on-street parking will be prohibited in the areas listed below between 1 a.m. and 6 a.m.

## Effective Thursday, December 15, 2011

Winter parking regulations will be in effect in the following areas:
