
Appendix 3-G Intergovernmental Agreements Assessment Check-list

Under Section 6 of the *Public Service Act*, a Member of Executive Council requires Governor in Council approval to enter into an agreement with the Government of Canada or the government of a province or agency thereof.

The following check-list has been developed to assist departments in assessing whether to propose that a Member of the Executive Council enter into an agreement with the Government of Canada or the government of a province or territory. This check-list is not Executive Council/TPB required documentation. It is a tool for departments to use in assessing the strength of the proposal and of the supporting material.

Relation to Provincial Policy and Budgetary Objectives

- Would the federal funding advance the province's own policy objectives?
- Is there a strategic relationship to broader economic or social goals of the province as expressed in the provincial business plan, budget, and other documents related to the government's agenda?
- Would the required provincial funding commitment to the federal funding initiative be consistent with the fiscal plan of the province?
- Will the fiscal value significantly benefit the province's fiscal situation?
- Can provincial participation be funded under the department's current operating budget?
- Would implementation of the agreement significantly alter or change current program or service delivery by the participating department?

Impact on Other Departments or Agencies

- Does the proposal negatively influence other federal-provincial or interprovincial negotiations and processes?
- If there are potential positive impacts on the policy and budgetary responsibilities of other departments or agencies, or on negotiations they may be undertaking, have those departments or agencies been consulted? What are their views?

Recognition of the Province's Financial Circumstances and Needs

- Under the proposed agreement, would the federal government recognize existing provincial funding as our contribution towards any cost-sharing arrangements?

Opportunity for Alliances
