Release 3.3.1
Release Notes for External Users

LaMPSS 3.3.1 Maintenance Release focusses on several defect fixes, usability improvements and enhancements related to External Case Management (ECM), Organization Management, and Private Career Colleges (PCC).

External Case Management (ECM)

➢ **Complete Intake Task** – Extended the task's *Due Date* from 7 days to 21 days (TFS 27296)

➢ **Add Business Partner** – Improve error text on <u>Save</u> when Business Partner *Name* field is left blank; error message should now display "Name is required." (TFS 25964)

Organization Management

➢ **Organization Contacts Report** – New report available from the side navigation menu which lists *Organization Contacts* and their associated security profiles (TFS 22983)

Other Items

➢ **Agreement/Case Header (all case types)** – Added a tool tip that displays the *Person ID* or *Org ID* when hovering over *Person Name* or *Organization Name* (TFS 25155)

➢ **Agreement/Case Home Page (All case types)** – Added ability to include a *Note* on the Agreement/Case Home Page (TFS 15861)

➢ **System Timeout** – Improved application message text when the system times out due to inactivity; application message should now display "LaMPSS has timed out due to user inactivity. You will now be redirected to the user home page." (TFS 26910)

➢ **Documents**
  o Fixed issue where the <u>Replace</u> document functionality wasn't working (TFS 27201)
  o Fixed issue in the external portal where user was able to save a document without selecting a *Document Topic* from the list (TFS 26263)

Private Career Colleges (PCC)

- ➢ **Instructor**
  - o Fixed issue where the *Instructor* gets stuck in *Amendment* status if they are denied approval for certain modules; also introduced a new *Instructor* status of *Denied* (TFS 27255)
- ➢ **Module Details**
  - o Added ability to display a list of *Approved Instructors* on the *Module Details* screen; clicking the *Instructor ID* will redirect the user to the *Instructor* screen (TFS 26632)
- ➢ **Payments**
  - o Fixed issue where *TCF Due Date* incorrectly reflected the *Intake Start Date*, and now accurately reflects the *Intake Create Date* (TFS 26830)
- ➢ **Student Details**
  - o Added validation on the *Student Details* screen to enforce attaching a *Refund Report* under scenario where the *Refund Amount* is $0 (TFS 26243)
  - o Added a new field to capture the *Withdrawal Date* to reflect the date the *Student* is withdrawn from an *Intake* (TFS 26468)
